Food Celebrations at Harding Township School

- Throughout the school year, there are several occasions when students celebrate an event/holiday with food.
- These celebrations include K-2 birthday parties, quarterly birthday celebrations for grades 3-5, Halloween, Valentine's Day...
- Effective this year, for all food celebrations, food brought to school must come from the approved safe foods list.
- This is an effort to allow celebrations to continue, but in the safest manner for all of our students.
- Food brought to school from this list must be in the original, unopened package from the store.
- No food items can be prepared at home, so as to eliminate the possibility of cross contamination.

Approved Safe Foods List

- Original Oreos (not special flavored)
- Original Tostitos (not special flavored)
- School Safe Cupcakes (available at Shop Rite and Whole Foods)
- Store packaged apple slices
- Individual snack-sized bags of Skittles
- Bags of clementines

Attached are photos of the approved food items to help when making purchases.
