

HARDING TOWNSHIP SCHOOL

2023-24 School Year

Dear Parents,

I am happy to hear that your son or daughter will be a member of the Preschool for the 2023-2024 here at the Harding Township School, and look forward to meeting you and your child. Prior to the beginning of school this fall, there are two sets of information I must have on file regarding health issues. I must have both a current immunization record and a copy of a recent physical exam. The exam must be completed within 365 days of enrollment.

Physical exam forms are included with this letter and should be completed by your pediatrician. If there are any special needs or significant medical history, please indicate that on the form also.

An immunization history must be provided. The following immunizations are required for entrance to pre-school:

- DPT Four doses
- Polio Three doses
- Measles One dose of measles vaccine or vaccine combination (MMR preferred).
- Mumps One dose mumps vaccine or combination.
- Rubella One dose rubella vaccine or combination.
- HIB Two doses
- Varicella One dose on or after first birthday, or proof of immunity
- Pneumococcal Two doses
- Influenza Must have prior to December 31st

I look forward to meeting you. Please feel free to call me with any questions you have.

Sincerely,

Dawn McDonough, R.N.
School Nurse
